Hello! My name is Lusette Romelus and I teach kindergarten at Lanzac school.

I am married and I live with my family in Lanzac. I was born in a village called Liancourt but have lived in Lanzac for some time now.

I attended the Montessor Center School for my secondary education and became a teacher. I love instructing the students and seeing the excitement on their faces when they learn something new.

One of the best days I have had as a teacher, was when one of my previous students, who became a doctor, came to visit me. He thanked me for helping him when he was in my class and that put much joy in my heart.

I am so grateful for the opportunity that Disciples' Village has given me to work at the Lanzac school. I feel very fortunate and blessed to be able to have a job that I love so much and to make a difference in the lives of the children of Lanzac.

Teaching is more than imparting knowledge; it is inspiring change.

Greetings my friends - I am Pastor Lionel Vilcius, the leader of Lanzac Village.

We appreciate your continued prayers for our village. We are beginning to see some hope being revived in our community. We believe that God will continue to touch the hearts of more people and we will be a village that represents God well.

Life is starting to get back to normal in our community. Our schools are functioning well at this time and we are so grateful for that. The children are enjoying being able to attend school each day, reunite with their friends, and enjoy a good meal at lunch. It is a joy to see the community slowly returning to our old way of life before the gangs interrupted our normal activities.

Over the past two months, the church has been fortunate to add several new members to our rolls. Most of our new followers have moved here from other villages and we are glad to have them in our church and community.

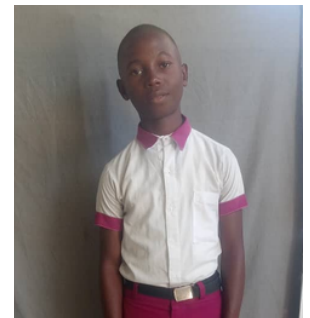

**My name is
Evionica Louis.
I am thirteen
years old and
in the 6th
grade at
Lanzac school.**

My mother is Maseuil Fleunise and she has taught me how to cook. I cook meals for my family, as well as go to the market to buy food to cook with. I also help wash our family's clothes. I have three brothers and six sisters and we all live together at home, so there are a lot of clothes to wash. But I enjoy helping my family in this way. My brothers help out around the house too.

For my brothers and sisters that go to school, we all walk together to school every day. I get up early in the morning to do my homework before leaving for school.

I like taking care of my family and other people. I want to become a nurse when I graduate and continue to help others.

**My name is
Domestoire
Makens and I
am thirteen
years old.**

I have one brother and three sisters and we all live together in Lanzac with our mother.

I help my family out by having responsibilities at home each morning before I leave to go to school. I enjoy school and look forward to my classes every day. I also like to play with my friends at school during recess.

I want to become an agronomist when I go to college and help my country out by finding ways to grow more and better food for our people.

From Pastor Lionel Vilcius: My brothers and sisters, we ask that you please continue to keep the people of Lanzac in your prayers. Please pray specifically for the following:

- Peace and prosperity for our people
- That our children will be able to be in school each day
- That we will honor God with our lives and be examples of His love

Thank you for supporting Lanzac Village School!
