Message from the Principal.... **Pierre Phanes**

My name is Pierre Phanes and I am the Principal at Cadenette Village School. I first knew I wanted to become a teacher in 2004, when I was in the 9th grade. Education is very important to me and always has been.

This year, we have 90 students enrolled in school from Pre-school A through Grade 6. Please pray that the children will continue to learn and grow through our school. And that they will receive the skills they need so when they grow up, they can help themselves and their communities in a positive way.

Please pray for me that I will have more wisdom to do my job even better. Thank you for your support, both financially and through your prayers. You have been so faithful in your love for our village school and we thank you so much for that.

Teacher Spotlight... **Sony Lewis**

My name is Sony Louis, and I am a 4th grade teacher in Cadenette Village School. I come from a family of 13 children, 7 boys and 6 girls. My parents died when I was a child. I grew up in an area called Piatre. I now live in the commune of Montrouis in Cadenette Village. I started teaching in 2010 so this is my 15th year of teaching. One of the things that interested me in becoming a teacher, was to be able to help others in the community. What I love most about teaching, is seeing the children respond and light up when they learn something new. The subject I love to teach the most is Mathematics.

I want you to pray for me that I can be more effective in what I do. That I can have more love for the children and help them fulfill their dreams in society.

Thank you, God, for blessing us with our sponsors. And may God bless each of them.

Meet Our Students....

Woodjina Senelus

My name is Woodjina Senelus and I am 7 years old. I live with my mother, father, and brother. My brother's name is Woodjino and he will be in the 4th grade of elementary school. When I am at home, I always wash the dishes, sweep the house and the yard, and I always go to get water from the well. Among all the subjects taught in class, my favorite is French.

I like to eat rice, beans, and legumes. My favorite color is red. When I am not at school, I always play ball with my friends and I like to read. When I grow up, I would like to become a teacher to teach children. in Haiti.

Meet Our Students.....

Alexandro Marc

My name is Alexandro Marc and I am 13 years old. I live with my mother, Lucienne Elvé. My father lives in Saint Domingo. I have a sister, Sabiana Marc, and she lives in the same house with me. She will be in the 4th grade of elementary school. I always do housework before going to school. I go to fetch water and cook sometimes. I sweep the house and the yard after I study my lessons and do my homework.

I often play cats and dogs with my friends and I like to jump rope and play rainbow games. I am always building Tikay, which is my passion. My favorite colors are blue and white.

I love my school very much in the village of Cadenette. When I grow up, I would like to be an engineer so that I can build many beautiful houses in the country.

A Message from our Pastor... **Elton Dasir**

My name is Elton Dasir. I am the pastor of the Cadenette Village Church accompanied by Mrs. Suzette Manivert. We have had some challenges with chaotic times in the village because of insecurity but by the Grace of God we have no shooting, there is peace, and we are once again, able to come together for school and church. On Sunday services, we usually have between 80-100 people in total.

Please join us in prayer for lasting peace so people can go about their activities and life can resume for everyone. I ask prayer for me that I can have the strength to continue preaching the gospel in the area so that people can come and accept Jesus.

Thank you very much to all the sponsors that support Cadenette Village School. May God bless you!
