A Message from the Children:

Hello! We hope that you and your family are doing well. Today, it is with great joy that we write these few words to thank you for everything you have done for us—your support with our schooling, the meals we receive each day, the clothing, and everything else. Thank you for loving us and for always supporting us. Despite the many challenges in our country, you have never abandoned us. We sincerely thank you for all you do. May God bless you and your family. We love you very much.

A MESSAGE FROM JERRY:

Hello everyone, how are you doing? I hope you are well, and that your families are well too. Here at Alex's House, everything is good. Thanks to God's provision and protection, all the children are able to attend school, and they are working hard to succeed. I always talk with them, give them advice, and they follow the good guidance that both the parents and I give them. We want to thank each person who contributes to moving this work forward. We pray that God blesses you and your families, pours His grace upon you, and keeps you in good health. We love you and truly appreciate all the help and support you provide.

**MAY GOD BLESS
YOU!**
