

NEWS FROM LANZAC

NOVEMBER, 2025

Dear Disciples' Village Sponsors,

It is with great sadness and regret that we inform you about the current situation our community is facing.

During the hurricane, armed gangs invaded the Montrouis Community, forcing all schools to close. The majority of parents and students were forced to seek refuge in the town of Saint-Marc. We do not know how long this will last or when we will be able to return.

By the grace of God and a desire to preserve the children's education, we have already secured a space in Saint-Marc that will allow the students to continue the school year. During this difficult time, we continue to rely on your support and loyalty. Despite the great obstacles before us, we remain steadfast in our mission and hopeful for a better tomorrow. We ask that you continue to support us through this crisis.

Please accept our sincere thanks for your unwavering commitment to the Lanzac community.

With respect and gratitude,
Rogès Alexis
