

## FROM OUR PASTOR

My name is Alexandre Leclerc, and I am the pastor of Victory Maya Baptist Church in Mayard.

Despite the insecurity in our community, our church members continue to place their trust and faith in God. Unfortunately, in recent days, gang-related threats and pressure have prevented some members from attending church services.

We ask that everyone pray for our community. That we would remain safe and protected from gang activity, and that Christians will continue to remain steadfast in their faith.

Additionally, some of our members are currently ill, and we kindly request prayers for their health and recovery. We sincerely appreciate your support and prayers.

## MEET ONE OF OUR TEACHERS

My name is Lander François, and I am a teacher in the 3rd grade. I live with my parents for now, but I am engaged to be married.

From a very young age, I have had a deep passion for working with children. This passion inspired me to pursue studies in educational sciences, so that I can effectively guide, nurture, and help children reach their full potential. I began my teaching career in 2022.

My goal is to continue developing my skills as an educator and make a meaningful impact in the lives of the children I teach.
