

FROM PASTOR JOB:

I am Job Mervil, the Director of the school and Pastor of the community. We are continuing to work on improving our school. We have some projects pending but we have constructed an additional office for the administration.

For the village, the situation has become very challenging. Things are truly complicated because insecurity continues to worsen, preventing people from going to the marketplace. As a result, they come to my home, and I share whatever I have with them.

By God's grace, more people are attending the church. We have already started gathering materials such as stones and sand to repair/rebuild the church. We hope to be able to start this project in the near future.

God continues to be faithful to Viello. I want to say a personal thank you to all our sponsors that continue to give generously so our village children can attend school.

MEET ONE OF OUR TEACHERS:

My name is Gina Michel, and I am a teacher in the preschool section. I have a one-year-old child and I currently live with my parents.

I truly love teaching children, and it is this passion that motivated me to attend kindergarten teacher training school. I have been teaching children since 2019, which means I now have six years of experience in early childhood education.

Throughout these years, I have developed a strong commitment to helping young learners grow, learn, and thrive in a safe and nurturing environment. Teaching is more than a profession for me—it is a calling, and I take great pride in contributing to the development of the next generation.

My name is Esther Saint Louis and I live with both my mother and father. I am 11 years old, and I am in the 5th grade of primary school.

At home, my chores include washing the dishes. I enjoy helping my family.

When I finish my studies, I would like to become a nurse.

My favorite food is rice, bean sauce, and vegetables and I love all things pink.

AND TWO OF OUR STUDENTS:

My name is Mackendy Louis. I am 11 years old, and I live with my mother. My favorite color is blue.

When I am at home, I like washing the dishes and sweeping.

My favorite food is rice with bean sauce and vegetables.
